

2008 – 2009

Yellowstone County 4-H Clover Supplement

4-H members may enroll in any of these projects **if they have a 4-H leader for that project.** The leader could be a club leader or a county leader.
Use the appropriate project codes when filling out the Project Enrollment form.

Short Term – Proj. # 0724

This may cover the same project areas as traditional projects, but are unique because they are of shorter duration with more specific content or a very limited aspect of a subject. All projects must be approved by your organizational leader. Completed project sheets are required.

DEPARTMENT N

Cake Decorating

There are nine units of cake decorating. In each unit, the member learns different cake decorating skills.

Unit 1 – 4

Project # 0161 – Unit 1 – Bake and frost a single layer cake. Decorate with tubes, edible materials and stencils

Project # 0162 – Unit 2 – Decorate character cakes

Project # 0163 – Unit 3 – Decorate two-layer cakes

Project # 0164 – Unit 4 – Decorate cut-up cakes

Unit 5 – 7

Project # 0165 – Unit 5 – Use flat surface flowers, nails, borders and side trims

Project # 0166 – Unit 6 – Use figure piping and string work

Project # 0167 – Unit 7 – Decorate tiered cakes

Unit 8 & 9

Project # 0168 – Unit 8 – Decorate with molded items

Project # 0169 – Unit 9 – Independent Study

Microwave Magic

Members learn about safely using a microwave oven to make snacks, breakfast, lunch, or dinner, defrost hamburger, bake potatoes, make cakes and adapting recipes for the microwave.

Proj # 0171 – Level 1: Bag of Tricks

Proj # 0172 – Level 2: Micro Magicians

Proj # 0173 – Level 3: Amazing Rays

Proj # 0174 – Level 4: Presto Meals

Astronomy – Proj. # 0907

For grades 4 to 9. Provides youth the opportunity to explore and learn about the basics of astronomy. Written at an introductory level, ample information is provided so the leader does not need to be an expert in the field of astronomy. This encourages the leaders and members to learn about astronomy together.

Citizenship Public Adventures – Proj. # 0801

Public Adventures is designed to engage youth in changing a piece of the public world, discovering the possibilities of democratic citizenship, and building a commitment to taking action in new and exciting ways, well into the future. This is a group project at the county level, not an individual project. Members will meet as a group. The curriculum includes:

Citizenship Adventure Kit

Citizenship Guide's Handbook

Computer Mysteries

An exciting multi-media curriculum for the new millennium. The activities will help youth develop the skills to confidently use their computers to design professional-looking printed materials, animated presentations, and interactive web sites.

Proj # 0731 – Unit 1: Booting Up:

Interacting with Computers

For beginners with little or no experience.

Proj # 0732 – Unit 2: Adding

Hardware and Software Magic

Includes password to access the curriculum's web site.

Proj # 0733 – Unit 3: Reaching

Beyond: The Advanced User

Includes password to access the curriculum's web site.

Helper's Guide: Offers additional background information, internet safety, and helpful hints for working with youth individually and in groups.

Geospatial

Grades 4 – 12. Youth are introduced to new ways of thinking about geographic positions, navigational tools (GPS, compasses, maps and globes), identifying locations and measuring distances.

Proj.# 3581 – Getting Out

Proj.# 3582 – On the Trail

Proj.# 3583 – Reaching Your Destination

Financial Champions

Proj. # 0783

Unit 1 – Money Fun–damentals

As an introduction to personal finance, activities teach goal setting, the difference between needs and wants, communication skills and how to budget. Youth learn how to make sound decisions and how to manage themselves in everyday situations.

Proj. # 0784 Unit 2 – Money Moves

Financial skills evolve in the second book. Teens will learn about financial institutions, the pros and cons of credit and how to select financial services. Other topics include check writing, an overview of advertising, comparison shopping and judging possible financial choices.

Personal Appearance, Clothing & Textiles **PACT**

This project focuses on the importance youth place on clothing and grooming interests, fads and trends. It encourages good habits and the development of skills for looking their best. Participants can choose a sewing project (bike bag, pillows, garments, etc.) or study a PACT area such as wardrobe planning or the care of clothing (learning to read the label instructions.)

Proj # 9501 – Unit 1
Proj # 9502 – Unit 2
Proj # 9503 – Unit 3
Proj # 9504 – Unit 4

Skateboarding

Designed for youth to develop patience, persistence, & agility while learning how to master skateboarding basics. Youth learn about other resources related to skateboarding and how to promote safety, health and fitness.

Project # 0551 – Beginning Skateboarding
Project # 0552 – Intermediate Skateboarding
Project # 0553 – Advanced Skateboarding

Ceramics – Proj. # 0794

Members in ceramics will learn about tools, preparing ceramic pieces, firing, glazes, underglazes, overglazes, unfired finishes, hand molded clay, greenware adaptation and ceramic terms.

Theatre Arts

Invites youth to imagine, refine, and present creative ideas in a number of settings, including: mime, acting, movement, puppetry and technical theatre (from make-up to lighting). These selections make sharing creative ideas a true adventure.

Proj. # 0903 – Unit 1 – Journey into the
Imagination

Proj. # 0904 – Unit 2 – Soaring into Action

Proj. # 0905 – Unit 3 – Quest for Expression

Proj. # 0906 – Unit 4 – Voyaging Beyond

DEPARTMENT A

Angora Goat – Proj. # 0221

Pygmy Goat – Proj. # 0322

Sign up for these projects to enter the specific goat project that interests you. You should also sign up for Dairy Goat 1, Dairy Goat 2 or Dairy Goat 3 so you receive the project books to fill in.

Meat Goat

Proj # 2211 – Level 1 – Just Browsing

Proj # 2221 – Level 2 – Growing with Meat
Goats

Proj # 2231 – Level 3 – Meating the Future

Cavy – Proj. # 0321

Youth learn all aspects about Guinea Pigs from selecting a breed, to the care, breeding and showing of their pet. Establishing a Cavy related career and business are also discussed.

Livestock Judging – Proj. # 0292

This is designed for those who are interested in learning more about livestock judging through individual study and research. Members are to search for livestock judging information on their own and compile it in a notebook with the project book provided.

Llama

Members learn about Llama care, conformation, behavior, handling, history and husbandry. Members have fun with their animals in showmanship and obstacle course work.

Proj. # 0261 – Beginning Llama

Proj. # 0262 – Intermediate Llama

Proj. # 0263 – Advanced Llama

Independent Study – #0269

Meat Identification – Proj. # 0293

This combines food and livestock projects. Members learn about beef, pork and lamb carcass evaluation, retail cut evaluation, meat identification and meat cookery.

Rodeo – Proj. # 0238

This project was dropped from the clover because the project books will not be available. It is being offered as a county project and members will use the county project manual.

MURDOCH'S RANCH & HOME SUPPLY **DISCOUNT CARD**

Each year Murdoch's provides MT 4-H members a 10% discount card for purchases at any of their stores. To get a card, members must give their club's name to the cashier. 2007 discount cards must be exchanged at Murdoch's for a current 2008 card. This discount program is available to all MT 4-Her's regardless of where the Murdoch's is located.
